The petitioners seek review of my judgment on the ground that the petitioners have subsequently paid the amount as directed in the interim order. I had dismissed the writ petition not because of the non-compliance of the interim order, but on the ground that the proceedings under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 has to be challenged before the Debt Recovery Tribunal. I do not find any merit in this review petition and the same is dismissed.
